Product colour Anodised Aluminium	Certifications CE

Applications
Warehouses, Manufacturing and production, Sport venues, Parking garages, Retail

IK 08

5
warranty

LED

CE

IP 66

Technical data	
Im system	5688
W system	36.00
Luminous efficiency (lm/W, real values)	158.00
Correlated colour temperature (K)	4000
IP rating	IP66
Luminarie type	Low Bay
Housing material	Aluminium
Installation height	0-5m, 5-10m
Control	ON/OFF
Insulation rating	CLASS I
IK rating	IK08
Road class / type	N/A
Beam angle / optic type	120°
